

Experienced Field-based Engineers

You will need to be able to demonstrate knowledge of IC engines, Brake systems, Hydraulics and Electrics as they will be required to service, maintain and repair equipment at customer locations predominantly around the West and South Yorkshire regions.

A minimum of 5 years of experience in the Fork Lift Industry or a recognised time served apprenticeship would be advantageous; however individuals seeking a new challenge from a similar industry such as HGV & plant, from a military background or associated motor vehicle trades will also be considered.

You will need to be proactive, show initiative and hold a full clean UK driving licence.

Remuneration and benefits meet the requirements one would expect from a progressive Company and a company van, mobile phone and specialist tools are provided.

Hours of work: 0800 to 1630 Monday to Friday

Applications to: sam@camforklifts.co.uk

We will require: CV/covering letter detailing your relevant experience together with an indication of your current hourly rate.

Interested? Please send a CV with covering letter to sam@camforklifts.co.uk
